

Blank QuickPort® Inserts

APPLICATION

BlankQuickPortInserts are designed to secure unused QuickPort openings, and provide protection from dust and debris.

SPECIFICATION

BlankQuickPort Inserts shall fit installed Leviton telecommunications wallplates, outlets, and field-configurable patch panels and patch blocks. Blank inserts shall be available in six colors (ivory, white, light almond, grey, black, and brown) to match the housings or provide unique color coding for port ID. Modules shall be UL listed. All plastics used in construction of the module bodies shall be fire retardant.

FEATURES

- Compatible with all QuickPort wallplates and housings
- Packaged in a bag of 10

DESIGN CONSIDERATIONS

- Blank QuickPort Inserts snap into any housing with the QuickPort name: flush- and surface-mount outlets, Multimedia Outlet System (with adapter), patch panels, and patch blocks
- Blank inserts are available in six colors (ivory, white, light almond, grey, black, and brown) to match the housings or provide unique color coding for port ID

STANDARDS COMPLIANCE

- cULusListed(UL1863,CAN/CSA-C22.2 No. 182.4-1990)
