

French-Style Wallplate Inserts (45mm x 45mm)

APPLICATION

Leviton French-Style Wallplate Inserts are designed to fit into 45mm x 45mm French-style openings. Inserts accept all QuickPort® UTP and shielded jacks and include ID window kits for port designation. These flat inserts are available in 1-port half-width and 1- and 2-port full-width designs. All inserts feature spring-loaded shutters to protect the connectors from dust and debris when not in use. Inserts are available in white ABS plastic.

SPECIFICATION

Wallplate inserts shall be compatible with 45mm x 45mm French-style openings, and shall accept QuickPort UTP and shielded jacks. Inserts shall be available in 1-port half-width designs or 1- and 2-port full-width designs. Inserts shall include port designation kits, and shall have a shutter to protect connector from dust and debris when not in use.

FEATURES

- Compatible with all Leviton QuickPort UTP and shielded jacks
- Includes ID window for port designation
- Spring-loaded shutters protect jacks while not in use

DESIGN CONSIDERATIONS

- Designed to fit in 45mm x 45mm French-style wallplate openings
- Each insert accepts one or two QuickPort jacks
